

Meet Mrs Zeal

My favourite colour is yellow, as it reminds me of the sunshine and makes me smile.

My favourite subject is phonics, as I love helping children learn to read!

My favourite animal is an elephant; I've even been on holiday to a sanctuary to help look after them.

My favourite author is Dr Seuss as I find his books funny.

My favourite sport is gymnastics, I love doing cartwheels!

My favourite foods are strawberries and chocolate.

A list of my favourite things

My classroom is called RZ, Mrs Pilkington is next door in RP. We haven't decided yet what class you will be in.

Reception is a welcoming and happy place, filled with kindness and laughter. There is always lots to do and we want you to try new activities.

We like the children to play in both our classrooms and the outdoor area. The adults in our team will help you to make friends and learn how to play purposefully together.

About the classroom

Photo of me

About me:

My name is Mrs Zeal and I am the EYFS Lead and one of the Reception Class Teachers. When I am not at school I like to go walking in the Peak District with my husband. We often do Parkrun and sometimes enter other races together. I really love food and also enjoy reading books. I liked school when I was little and I still love it now!

Expectations and communication

Although we learn lots through play, we do have some taught sessions during the day. We will come together on the carpet for phonics, maths, songs and story time. We do short activities at tables, for example learning to write our names.

We often post photos of your learning on Tapestry so your families can see what you have been learning. We like it when they post photos of your learning at home too.
