

# Parkroyal Life

Edith 83 Summer 2020

**REMINDER** – school closes for Summer on Tuesday 22nd July at 1.15pm. It will reopen for the start of the new academic year on Wednesday 3rd September at 8.35am. We hope you have a wonderful summer break

## Key Dates - Apr/May/June

22nd July	School closes for Summer holidays 1.15pm
1st & 2nd Sept	INSET days 1 & 2 – school closed to pupils
3rd Sept	School reopens to pupils 8.35am
1st October	School photographer – individual & siblings
6th October	2EM to Silk Museum all day
7th October	2JB to Silk Museum all day
24th October	School closes for October half term 3pm/3.15pm
25th October	Trust INSET day – school closed to pupils

Picture News stories are discussed in Mrs Beaumont's Monday morning Assemblies. Picture News shares current issues with our pupils and helps to make British Values relevant and meaningful and develop links between personal, school and community values.

### What everyday items could be changed to help others?

In the final whole school assembly of last half term, Mr Utteridge posed the question below to the school and shared a recent invention called the Thermavault.

Mr Utteridge then challenged the pupils to come up with inventions and share their ideas with their friends, teachers and Mr Utteridge. The enthusiasm of the pupils was incredible and just shy of a quarter of the school participated through drawings, writing or physical creations.

Following this came the impossible task of choosing two inventions that were worthy of a trophy that resembles the Earth award trophy; the trophy presented to young inventors every year.

Mr Utteridge, along with the Heads of Houses, met and decided upon two very worthy winners.

\*Look on the next slide to see the winners and their inventions\*

## Thank you!

Thank you to everyone who has supported the various fundraising events in school this year.

This term our Trust Ambassadors arranged a fundraising event alongside the 12 other schools in the Trust in aid of RSPCA. **£1600** was raised collectively which will be split between the Cheshire, Macclesfield and Buxton, and Salford and Manchester branches of RSPCA.

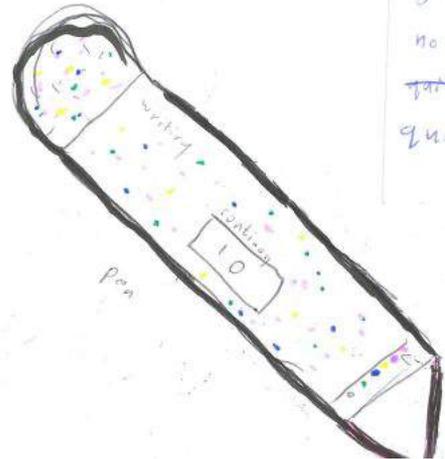

Our annual Summer fair was another great success. We were blessed with dry weather and it was wonderful to see so many of our school community coming together to enjoy the various stalls and activities on offer. The fair raised just over **£2000** so thank you to everyone for your support.

We also took the opportunity, whilst our community were together, to bid an official farewell to Pam, our wonderful lollipop lady of many years. It was lovely to be able to present her with McCarthy Coaches vouchers from funds collected from your generous donations, for her to enjoy a much deserved holiday. We hope she will continue to visit us for our school events in the future.

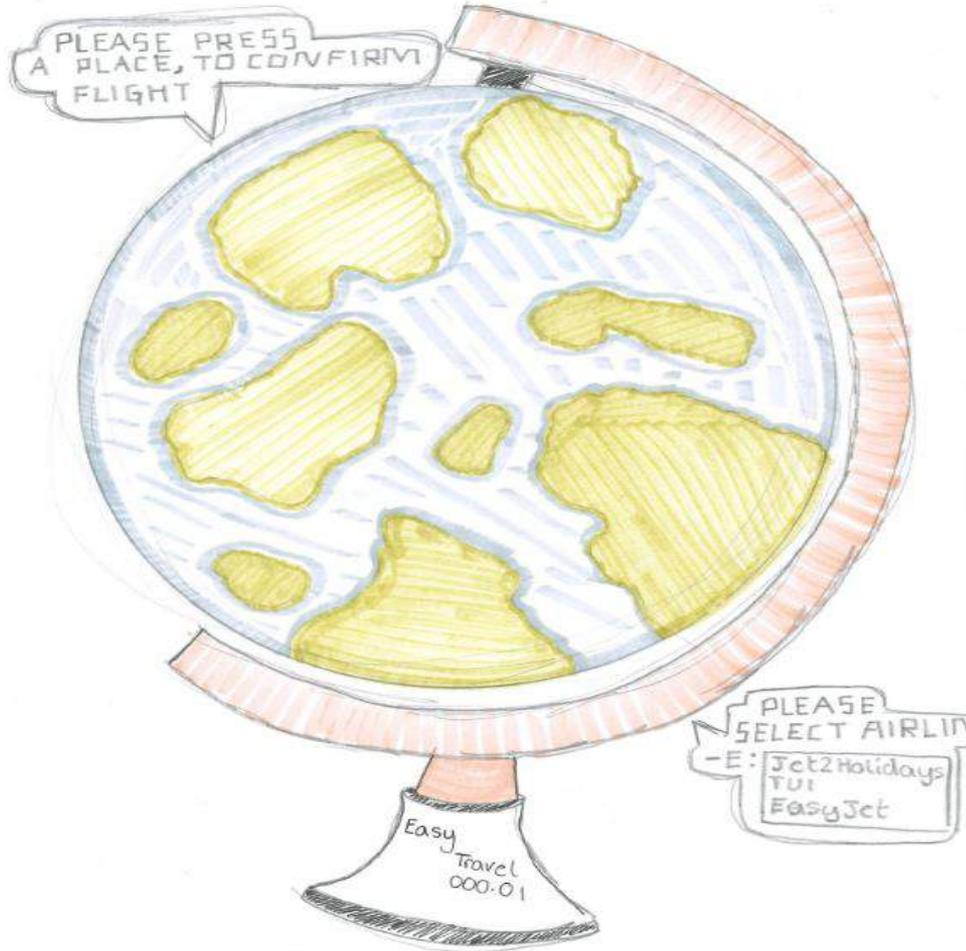

A pen that has a little screen that counts how much words you have written. You can see words that you dont know and it has a rubber. It can go different colors but the color that you want has to be pointing to the arrow.

Zeeva 2MD

do you like it Zeeva  
 like one  
 yes  Amazing   
 no  Bad   
 just   
 quite

A pen that does more than just write. This pen will count your words as you write, it has a rubber, it has different colours but most importantly it can aid your spelling! Very useful indeed

A globe...but not an ordinary globe...a globe that allows you to book a holiday at the touch of a button. You can select countries, explore cities, hotels and flights. The Easy Travel just made booking a holiday far less stressful.

Florence 6UW

# Reception

T

Reception have enjoyed retelling the story of Whatever Next. We then changed the setting and activities for our own stories. There were some great ideas - camping on Mars to playing basketball on Neptune!

## Whatever Next

We have enjoyed lots of sunny weather this half term. The children have played car washing, pass the water balloons and even enjoyed a Parkroyal foot spa or two! A lovely grandparent came in to help the children plant beautiful sunflowers. Lots of our fruit and veg has been ready for us to pick and enjoy too!

## Fun in the Sun

The children have shown so much enthusiasm for our topic on space this half term. They have created pictures of planets using lots of different media and techniques, written fact files and performed their fabulous space song as part of their music showcase.

## Super Space

We recently had a visit from a real-life poet! Louise taught us a poem about spring which we performed together. We then created and performed our own class poems about growing up.

## Visit from a Poet

# Year One

## Orienteering

We have had a great time learning skills to help us read maps.

## Art Day

We took our sketchbooks outside to do some observational drawing. Then we worked on collages back in the classroom.

## History

We have been learning about the history of flight. We had a go at designing and testing our own planes!

## Design Technology

This half term we have designed our own moving 'Humpty Dumpty' books with sliders and levers.

# In year **Year Two** this half term...

On Thursday 17th July, Year 2 took an end-of-year trip to the amazing **Whitworth Art Gallery** in Manchester to support our work on textiles art. .

We toured the different areas of the gallery, including works by Yahuarcani featuring dolphins, and work by Mirga-Tas, both of which involved collaging fabrics. We made drawings and used this to inspire a piece of weaving.

We later had the chance to create our own fabric collages in the same style and we explored the sculptures in Whitworth Park. Thank you to Miss Davies for arranging a fantastic day out.

Our **Sports Day** took place on 8th July, the sun was shining and the children were in good voice.

With two teams in each house, the children took part in eight activities in a carousel across the morning, including skipping, hockey, balance, javelin and basketball skills.

We then finished the morning with our traditional running races, and all cheered on mums and dads in their races too!

What a fab morning. Thank you to the Year 6s for organising the games.

[Whitworth Art Gallery](#)

[Sports Day](#)

In **Science** this half term, we have been investigating the **importance of light on growing plants** . We planted three sets of cress seed and placed the in different places around school.

Pot 1 was in a dark cupboard. The cress seeds were 40mm tall but yellow and droopy.

Pot 2 was on a window sill next to a corridor. The leaves were green and the cress was 40mm tall.

Pot 3 was placed in full sun by the outside window. The cress was green but only very short, 20mm at best.

Most expected that the cress in full sun would be the tallest, so we were a little surprised! Maybe it was too hot?

[Cress!](#)

**Louise Fazakerley** visited school on 10th July to work with the children.

She performed poems about 'The Park' and 'Naughty Nanna' and talked about the language that she uses to build her poems. She read us 'First Day at School' by Roger McGough to help us think creatively about school.

We then wrote a great poem about transition into Year 3.

It was so lovely having a real poet in school. Thanks to Mrs Hunt for arranging it.

[Poet visit](#)

# Year Three

## Silk Museum

To introduce our history topic learning about Ancient Egypt, we visited the Silk Museum to explore their exhibit and complete three fantastic workshops. We learnt so many interesting facts and even saw a mummified hand!

We have been busy learning how pneumatic systems work to create movement. We designed and made our own toy using a pneumatic system, thinking carefully about the design criteria. Finally, we shared them with our target audience (Year 1) to get some very valuable feedback. Hopefully you'll see one of our designs in toy shops soon!

## DT - Pneumatic Systems

## Dance Performance

On a very hot day in July, Year 3 walked to Macclesfield Academy to perform a professionally choreographed dance piece in the Cheshire dance festival. We are so proud of how well they performed under the spotlight as 3PS performed a piece about sculptures, and 3EM inspired by the Ancient Egyptians.

Well done Year 3!

This term, Year 3 have been learning all about plants. We did an experiment to see what plants need to grow, dissected them to see their different parts and how the parts help them pollinate.

## Science: Plants

# Year Four

## Netball & Gymnastics

During National Sports week, we were lucky enough to have a Netball Masterclass from Macclesfield Netball Club. We learnt the basics and practised our passing and footwork! It would be great to see you using these skills and joining the Y5 and 6 netball club in September!

We also hopped on a live lesson with Olympic Gymnast Max Whitlock who was teaching us how to cartwheel safely!

## Art

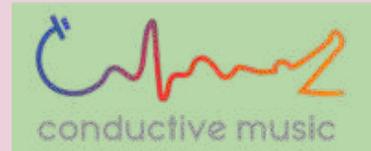

In our Art this half term we have been learning about Victor Sloan. Victor creates his art work by taking still images and then editing them by adding pencil and scratch marks. We have had a go at using technology to take and edit our photographs in the style of Victor Sloan and we have been very impressed with the final pieces the children created!

## STEAM Music and Technology Workshop

Conductive Music came into school to deliver workshops for us bringing music and technology together; we used technology to create different beats and played along to create a class tune. We explored how coding could be used to create beats and tunes and enjoyed experimenting with what sounds went well together.

Thank you to Conductive Music for spending the morning teaching us new things!

## Thank you & good luck!

Finally, we just wanted to say thank you to you year 4. We have had such a lovely year with you, working hard and creating memories! We wish you all the luck in the world as you embark on year 5.

Miss Dolton & Mrs Levy

## *In Year Five, this term...*

### STEAM Music and Technology Workshop

Conductive Music came into school to deliver workshops for us bringing music and technology together. We used, connected and explored the musical capabilities of a coding programme, similar to Scratch and created our own music to accompany our own game. The children utilised their strong music and coding skills to create some fantastic games - it was an enjoyable workshop for all!

### Matilda Performance

We have been working hard since March learning songs and dances ahead of the Matilda Performance at the Macclesfield Academy. The day finally came for us to perform under the spotlights and we had a brilliant time! The children performed with huge smiles on their faces, energy in their moves and volume in their voices! Thank you to all the parents, carers and families who came to support the children and watch the show.

### DT - Cooking and Nutrition

As part of our DT unit, Cooking and Nutrition, the children created their own healthy version of spaghetti bolognese. We looked at a variety of recipes and adaptations, before creating the packaging for our recipe and finally we cooked the dish itself. The children were proficient at chopping the ingredients needed, ensuring they followed the hygiene rules and ultimately created some very tasty dishes of spaghetti bolognese.

### Good Luck!!

Year 5, you have been so enthusiastic, determined and ambitious this year. Miss Melbourne and Mrs Patton would like to thank you for all your hard work and we wish you the best of luck as you move on and start your new journey into Year 6.

# Year 6

What an  
adventure...

Year 6

# Music Week

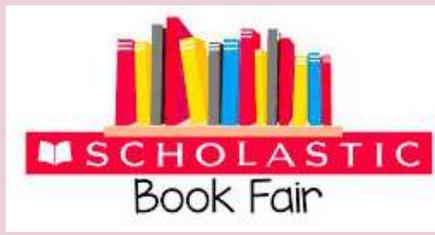

2 assemblies, 6 concerts, dozens of soloists, 1 special guest interviewee, hundreds of talented performers and many, many proud parents and teachers!

Well done to everyone who took part and thank you to the Parents, Carers and everyone else who came to support our wonderfully talented and hard working children.

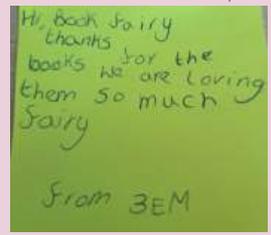

# Reading Update

On Friday 27th June, Jen and Katherine came to visit from Macclesfield library to show us some exciting books and launch their Summer reading Challenge. They told us that Parkroyal had the most pupils that took part last year...come on Parkroyal!

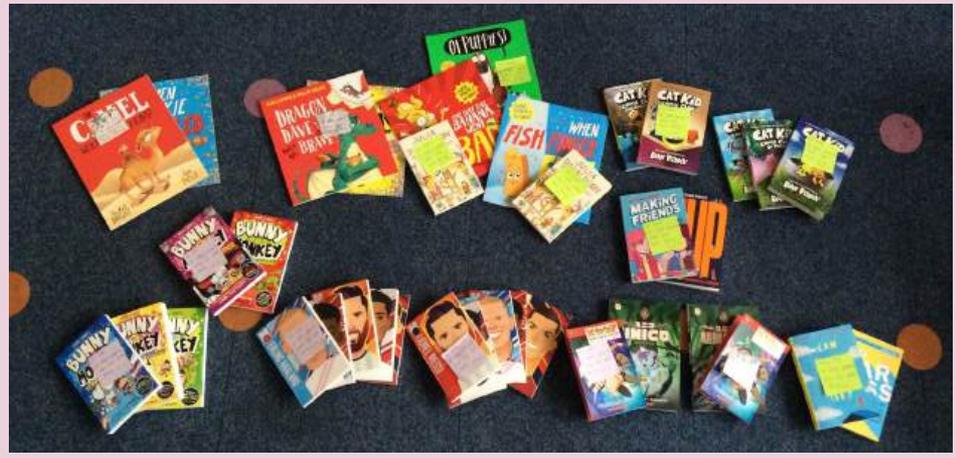

Thanks for your note, 3EM!

Thank you for all of your support at the Scholastic book fair this term. We raised enough funds to buy each class a little present from the Book Fairy!

Marina from 3EM has already completed her reading challenge!!

# Louise Fazackerley - Poet

On Thursday 10th and Friday 11th July, we were lucky enough to have a visit from the poet, Louise Fazackerley. She worked with each class over the two days and the children to produced some amazing poetry.

## We Are the Guardians: Save the World 13 - 5CP

Some people say, we could just go to Mars 1  
And leave behind cars, and eat chocolate bars 2  
And gaze at the stars leave behind what's not  
ours

**Be the voice, the shield, the hand  
For all creatures across the land**

Some people say, we should've 4  
stopped this yesterday  
Everything is fading away  
we need to think about climate change 5  
The planet is getting really strange 6  
and our furry friends are out of range

**Be the voice, the shield, the hand  
For all the creatures across the land**

I've changed my mind, I'm going back 7  
I want to fix our habitats 8  
For Tigers and Tabby Cats 9  
For Leopards, Lemurs, Lions 10  
For Bees, Butterflies, Birds and Bats 11  
Dogs bark, birds cheep, 12  
farmers take care of the land and their sheep

**Be the voice, the shield, the hand  
For all the creatures across the land**

## Classroom Creatures - by 1WW

I am an elephant who is good at art.  
I am a bunny with a kind heart.  
I am a giraffe who is good at DT.  
I am a kangaroo who likes to run free.  
I am a monkey who loves to learn  
maths.  
I am a kitten who likes to run fast.  
I am an owl who loves reading.  
I am a fish who is so good at leading.

And our teacher is an aeroplane  
dropping  
Bottles of water full of knowledge.  
And our teacher is a forest  
Protecting us with kind leaves.

Thank you to Miss Macdonald for organising this event and raising the funds through 'Breakfast with Santa and the Easter Bingo.

## Zones of Regulation

Supporting our pupils' emotional wellbeing is central to our school's ethos and this term Parkroyal has introduced the '*Zones of Regulation*' as a whole-school approach to support children's emotional development and wellbeing. Each Newsletter we will share updates and information about this approach and how you can support your child/ren.

The Zones of Regulation is a framework designed to help children gain a better understanding of their emotions, develop self-regulation skills, and learn strategies to manage their feelings in a healthy and productive way. It uses four colour-coded "zones" to represent different states of alertness and emotions:

**Blue Zone** – low states of alertness (e.g., sad, tired, bored, sick)

**Green Zone** – calm, focused, and ready to learn

**Yellow Zone** – heightened alertness (e.g., excited, worried, silly, frustrated)

**Red Zone** – extremely heightened states (e.g., anger, panic, rage)

Children will be taught to recognise which "zone" they are in, understand that it's normal to move between zones throughout the day, and learn strategies to help themselves return to a zone that supports learning and positive behaviour.

### How can you support your child at home with the approach? \_\_\_\_\_

We encourage you to talk to your child about the Zones and ask them what they're learning.

We are delighted to announce that we have achieved the School Games **Platinum** mark award for the 2024/25 academic year.

The School Games Mark is a government-led award scheme launched in 2012, facilitated by the Youth Sports Trust, to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to be recognised for our success.

This year's award is a significant achievement. Platinum is the highest accolade and is only achieved after a school has been awarded Gold for 5 consecutive years and has shown consistent dedication to sport and activity in their region. We were awarded Gold in 2016/17, 2017/18, 2018/19 before a pause due to the pandemic and then again in 2021/22. We received the platinum award for 2022/23 and again for 2023/24.

**\*\*\*This year we reapplied for the award and based on the provision we offer for sport we were once again awarded Platinum! \*\*\***

We are extremely proud of our pupils for their dedication to all aspects of school sport.

## Phase 1

Thank you **so** much to our Sports Leads for helping to organise and run such a super morning.

We started with a fun carousel of activities including Simon Says, Beanbag Toss and Craters and Volcanoes!

After that we ran in three races; egg and spoon, run through a hoop and a running race. We even had a toddler race and a grown-up race!

Huge Congratulations to **Flourish**, who were the winners of Phase 1 Sports Day.

## Phase 2

Phase 2 Sports Day involved a carousel of activities including hockey, basketball skills, hurdling and javelin, amongst many things. We then concluded with our children's races on the pitch, and highly competitive mums and dads races to finish!

Thank you to our Year 6 Tytherington Leavers who organised all of our carousel of activities, and ran the event. You were all tremendous!

winners of Phase 2 Sports Day.

## Phase 3

*"On Thursday the 3rd of July, Parkroyal Community school (Phase 3) made our way to the Macclesfield Academy to do our yearly sports day. We arrived, got into our groups and started a carousel, which included relay, javelin, long jump, football and more. After every group had finished we got into some running races Year 4 boys and girls Year 5 boys and girls and year 6 boys and girls. Also the phase 3 parents could run a mum race or a dad race."* - **Arthur H, Y6 School Games Maker**

Huge Congratulations to **Flourish**, who were the winners of Phase 3 Sports Day.

Winners of the Macclesfield Academy awards:

**Academic Excellence:** Gaurav P (Y6)

**Known and Valued:** Jack Bu (Y5)

**Learning Above All:** Elliot S (Y4)

### Aspire Trust Swimming Gala

#### **\*We are the Champions\***

On Monday 14th July we took 10 of our Year 6 pupils to The King's School to participate in the **first ever** Aspire Trust Swimming Gala and they performed fantastically.

Every pupil individually and every relay group, amazingly, qualified from their heat (in their given stroke) for the finals and in the finals they performed exceedingly well.

We had 1st places in the boys front crawl, butterfly, backstroke and relay and 1st places in the girls front crawl and backstroke.

Each event was worth points and cumulatively across the gala we collected the most points making us **CHAMPIONS** !

A huge well done to each of our swimmers:  
Samuel, Theo St, Theo SC, Gaurav,  
Thomas, Sophia, Melissa, Alice, Skylar,  
Carys.

### End of season sports awards

#### Netball

Player of the year: **Samuel CC**

Players player of the year: **Sophia P**

Most improved player: **Alice B**

**Please note that 10 or more unauthorised sessions of absence (i.e. 5 days) may result in the issue of a Fixed Penalty Notice**

**NEW FROM 19/8/24**  
 Please refer to the new parent/carer guidance regarding changes to Fixed Penalty Notices

## Fixed Penalty Notices – New Guidance for Parents and Carers

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force on 19 August 2024.

### Penalty Notices will be issued for:

**Term time leave:** Penalty Notice fines will be issued for term time leave of 5 or more consecutive days.

However, we retain the discretion to issue a Penalty Notice before the threshold is met. For example, where parents are deliberately avoiding the national threshold by taking several term time holidays below the penalty thresholds i.e. 3 days followed by a further 2 days later in the academic year.

**10 Sessions of Unauthorised absence in a rolling 10 week period:** A Penalty Notices may be considered when there have been 10 sessions of unauthorised absences in a 10 week period. Unauthorised absences include being late after registers have closed on 10 or more occasions.

### Per Parent/Per Child

Penalty Notice fines will continue to be issued per parent per child. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

#### First Offence

The first time a Penalty Notice is issued for term time leave or irregular school attendance the fine will be charged at:

£160 per parent, per child if paid within 28 days of the issue, reducing to £80 per parent, per child if paid within 21 days.

(Unpaid penalty notices may result in a parental prosecution)

#### Second Offence

Where it is deemed appropriate to issue a second penalty notice to the same parent for the same pupil within 3 years of the first penalty notice, for either term time leave or irregular attendance the second penalty notice will be charged at:

£160 if paid within 28 days. (Unpaid penalty notices may result in a parental prosecution)

#### Third Offence

On the third time that an offence is committed within 3 years of the first penalty notice for either a term time leave or irregular attendance a penalty notice will not be issued.

The case may proceed to Parental Prosecution under the Single Justice Procedure. If found guilty of the offence of 'Failure to send a child to school' the Magistrates can impose a fine up to £1000 or legal proceedings under Section 444 (1a) can include a fine of up to £2500.
